Welcome To Flinders View...
This Is Home.

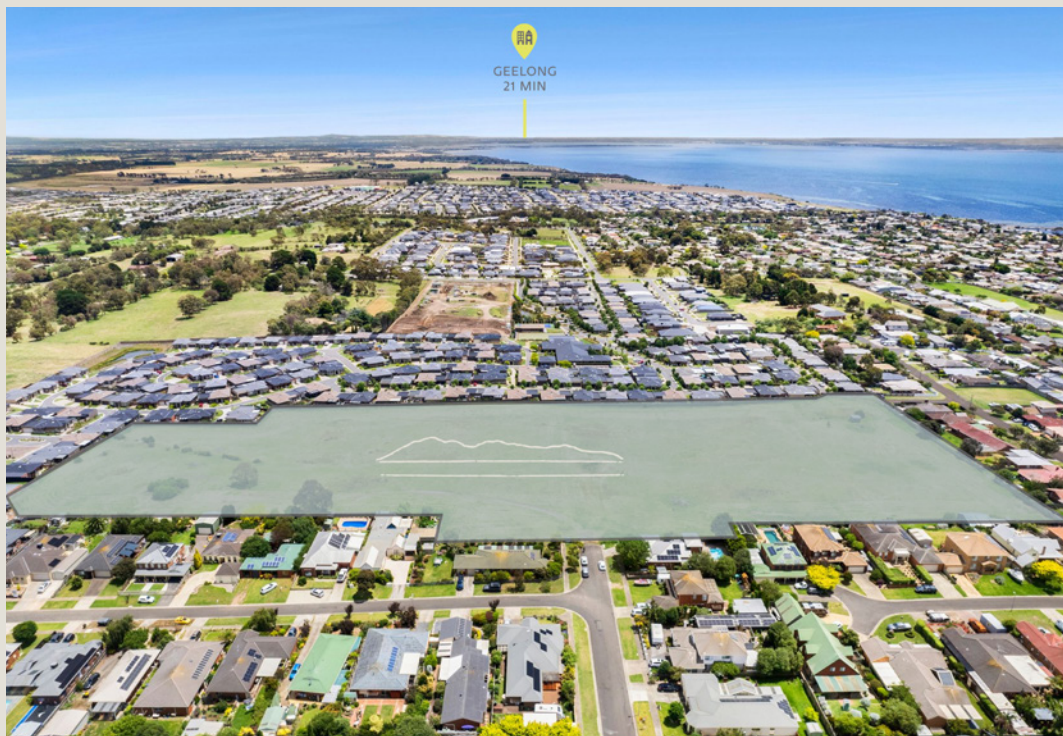

This is... Life by the Water.

Bayside living and panoramic views in the very heart of town; it's rare to find such a perfect offering but Flinders View has it all. Here you'll find an incredible opportunity to build your dream home in one of the most premium pockets of the Bellarine Peninsula, in a thriving community where coast meets country.

Just a 3 minute drive to the bay, picture yourself savouring your morning coffee on the sandy shores or winding down your day with a refreshing swim in the water.

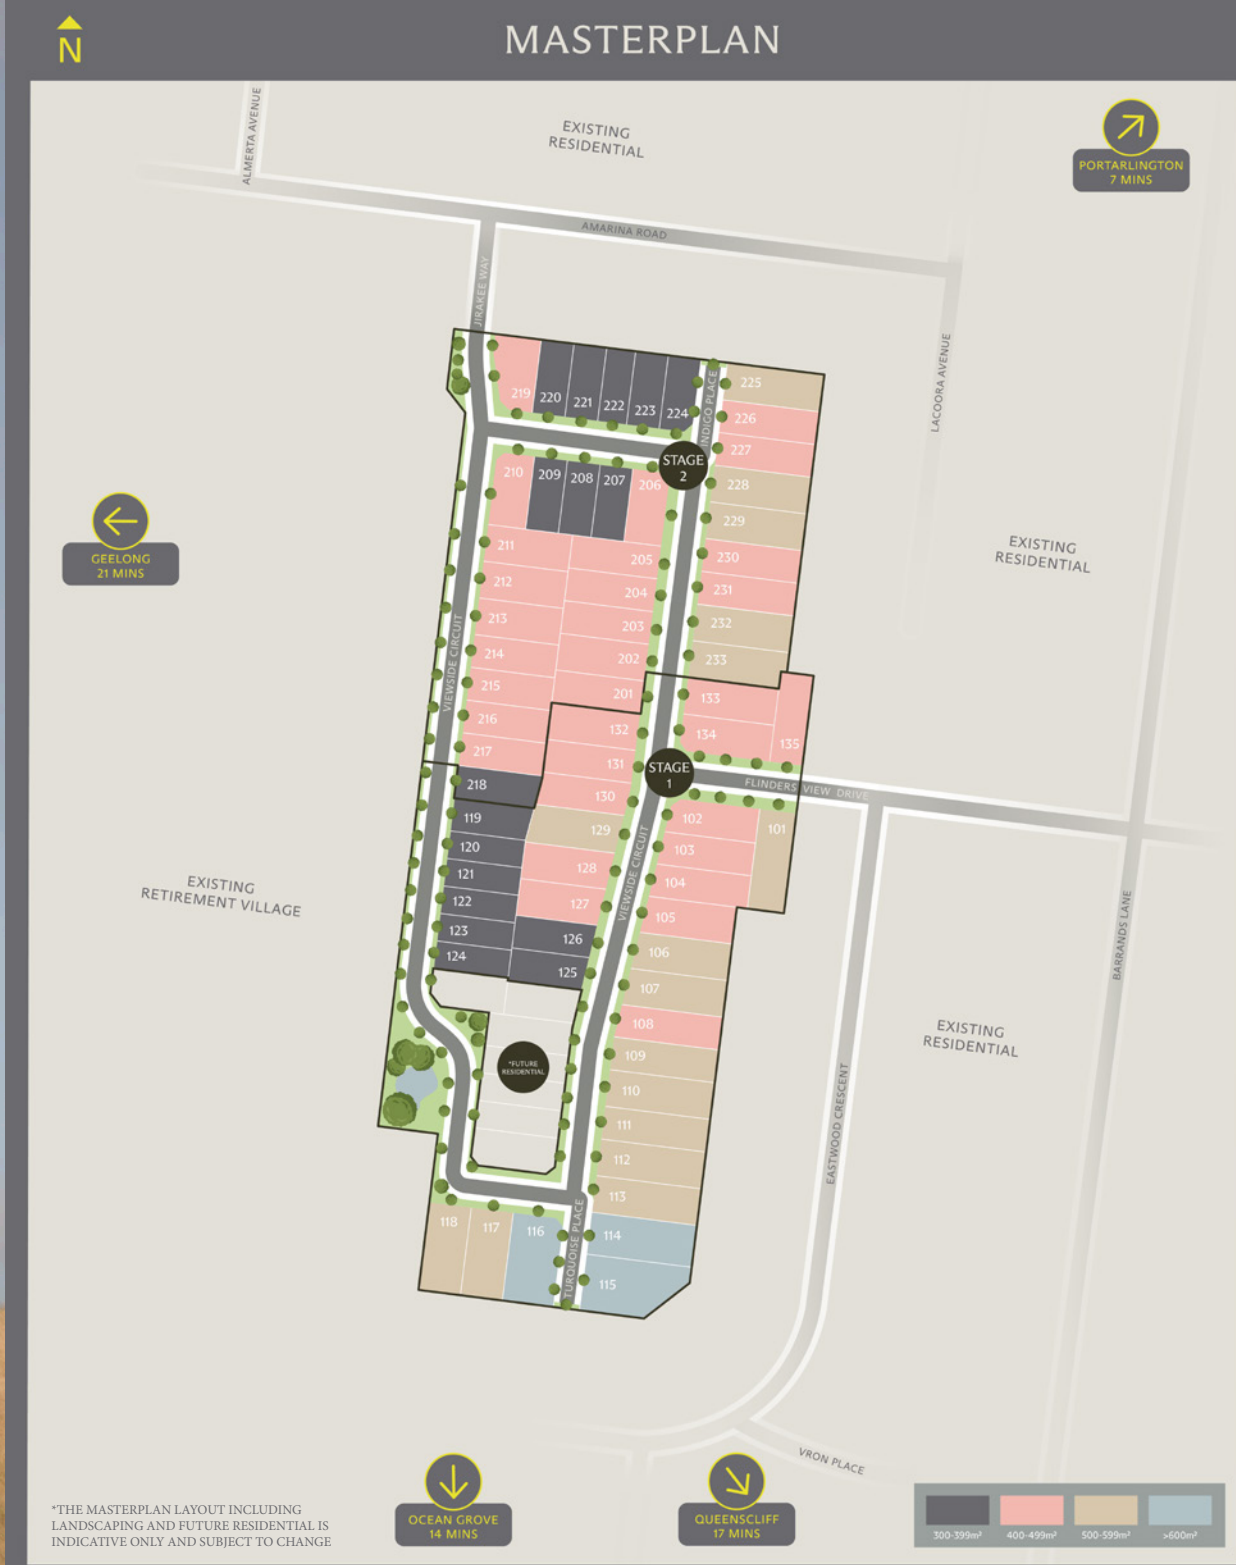

This is... A Place to Thrive.

If it's space you crave, there are lots up to 742m², with most offering sweeping views across the bay and out to the iconic You Yangs. With a number of existing parks and walking tracks dotted throughout the thriving Drysdale township, Flinders View is perfect for the whole family. You'll live just 800-metres from the picturesque town centre and in close proximity to some of the region's best beaches, wineries, golf courses and dining spots.

This is... A Vibrant Community.

Drysdale is a rural township near Geelong, located on the Bellarine Peninsula. Often referred to as the 'hidden gem' of the region, it is known for a quieter and more relaxed feel than other peninsula towns.

An iconic stop on the old Bellarine Railway, it is home to the Drysdale Hawks Football Netball Club, and boasts a number of top-tier public and private schools including Saint Ignatius. The Drysdale Community Market, which has been delighting market-goers for almost 40 years, is also a major fundraising effort for Drysdale Primary School, where it is held on the third Sunday of every month.

Drysdale also has several Victorian Heritage Register-listed sites including the Drysdale Hotel, Drysdale Railway Station, and the Drysdale War Memorial.
